**Subject:** draft of interagency communication on RDX for next wednesday  
**Attachments:** draft RDX NCEA Interagency Communication\_2wk redline.docx

Hi all,

I've attached a first draft of the interagency letter we would send to kick off the 2-week courtesy redline. Modeled mostly after what we did for B[a]P. Looking forward to hearing any edits/comments by COB Monday, or Tuesday AM at the latest. Note that the list of subjects is what I could think of off the top of my head. Will double check these as we generate the compare version of the document (likely Tuesday AM).

Have a good weekend!

-Lou
